

Career Speaker Advisory Requirement 2016-2017

In order to earn credit for advisory students must attend a minimum of four career speakers through the school year and then write a one page reflection on each speaker to be shared with Mrs. Alley the Career Pathways Advisor by sharing their reflections through Googledocs.

In order to receive a satisfactory grade each quarter in advisory students must:

Share at least one written career reflection to Mrs. Alley at least **one week before** each quarter ends.

Students may share their four career speaker reflections early to complete their advisory career speaker requirements.

SST students not able to attend career speakers will earn their advisory requirement by completing four reflections (one for each quarter) on the career training/exploration they are completing at SST. Each reflection will be 1 page in length discuss what they learned about their selected career at SST. SST students must share their SST career reflection with Mrs. Alley at least **one week before** each quarter ends through Googledocs.
